The Trip

This 4x4 tour explores the Omani side of Dibba before continuing to the Friday market at Masafi.

Famous in Islamic history, Dibba was the site of one of the great battles of the Ridda Wars, the re- conquest of Arabia by Muslim armies in the generation after the death of the Prophet Mohammed (Peace Be Upon Him). There is a vast cemetery with over 10,000 headstones in the plain, marking the burial sites of the dead.

After visiting the cemetery and the restored Dibba Castle we continue to the bustling Friday Market at Masafi. Once a small weekly market selling local produce it is now a bustling area open seven days a week. Stalls selling handicrafts, hand woven carpets & pottery compete for space with the abundant fruit and vegetables.

You will have time to stroll through the market bargaining for souvenirs before heading back.
