

picturesque wadi shis plantations

Dates & Duration

Available year round. 4 hour round trip from Dibba or your east coast hotel.

The Trip

This 4x4 tour takes us to Bidya mosque, the UAE's oldest at more than 400 years. The mosque features a unique feat of engineering for the time. All four domes are

supported by one central pillar and internal decoration combines stone carvings with special shelves to house the Holy Quran.

We continue through the coastal town of Khor Fakkan and head into Wadi Madhah. The town of Madhah, the Shana'a Oasis and A'Sarouj

Village are situated in an Omani enclave and provide a stark contrast to the wealthier UAE towns that surround them. Soon the tarmac ends and we enter the narrow wadi towards Hajjar Bani Hamid and the Shis Pools. We stop to explore the plantations and their ancient falaj systems that irrigate the land. There is a short, optional walk along the cliff face for those with a head for heights.
