

sidr and sana

Dates & Duration

Available year round. 4 hour round trip from Dibba or your East Coast hotel.

The Trip

This 4x4 tour takes you over high mountain passes and past lush plantations.

Starting from the Masafi road we turn off into Wadi Sana. We soon come to a challenging trail climbing high into the Hajjar mountains. We reach a plateau with great views all the way back to Dibba before descending past several small farms towards Wadi Sidr.

There are numerous plantations growing dates and cereals on both sides of the track and a newly built dam that stops the local villages from flooding as you continue towards Al Ghail. Look out for wild donkeys taking shade underneath the mature Sidr trees as you approach the end of the wadi.

From Al Ghail you return via the Tawa'een road.
