

cycle khab al shamsi

The Dates

Available between October and April.
5 hour round trip from Dibba.

Wadi Khab Al Shamsi offers the keen mountain biker some of the best technical trails in the region. Starting from our Adventure Centre on Dibba beach we cycle into the wadi on a new tarmac road before reaching the hard dirt track that winds its way up the Rus Al Jebel. The trail passes many ancient stone settlements and dramatic cliff faces as it steadily climbs higher.

Eventually we turn around and enjoy the exciting downhill blast back to Dibba.

This tour is led by our mountain guide who is also a trained cycle mechanic. We use high quality mountain bikes with front suspension and 24 gears. Cycle helmets are provided and are compulsory equipment for all cyclists.
