

# downhill dash

## Dates & Duration

Available September to May. 3 hour round trip from Dibba.

## The Trip

This is the most exhilarating mountain bike ride in the region. Starting from our Adventure Centre on Dibba beach we transfer you by 4x4 into wadi Khab Al Shamsi. The 1 hour drive leads uphill through the spectacular narrow gorge to over 500m above sea level. Our high quality hardtail mountain bikes are transported in a specially adapted pick up truck to the start of your adventure. From here we start the adrenaline filled blast back to Dibba. Care must be taken on the twisting mountain trail to avoid falling foul of the deep, boulder strewn wadi bed.

Just as you think you've finished the ride, we have two big hills to climb before reaching the quiet back roads near our base.

During your ride our support vehicle follows behind to offer assistance and take those special photos.
