The Trip

2 hour round trip from Dibba.

Starting from our adventure centre on Dibba beach we cycle along the seafront to Dibba's renovated fort then continue on dirt tracks through extensive date plantations. We pay a short visit to the 7th century graveyard where 10,000 died during the Ridda wars before arriving at the foot of Qasr Al Zaiba'a. Better known as the Queen of Sheba, Al Zaiba'a ruled from her palace in Julphar and this castle in Dibba.

We climb the small hill to explore the ruins and enjoy views across Dibba bay before cycling back to the adventure centre.

This is an easy ride on quiet roads and hard dirt tracks.
