

# Aqaba - Lima Trek

## Musandam Peninsula

### The Dates

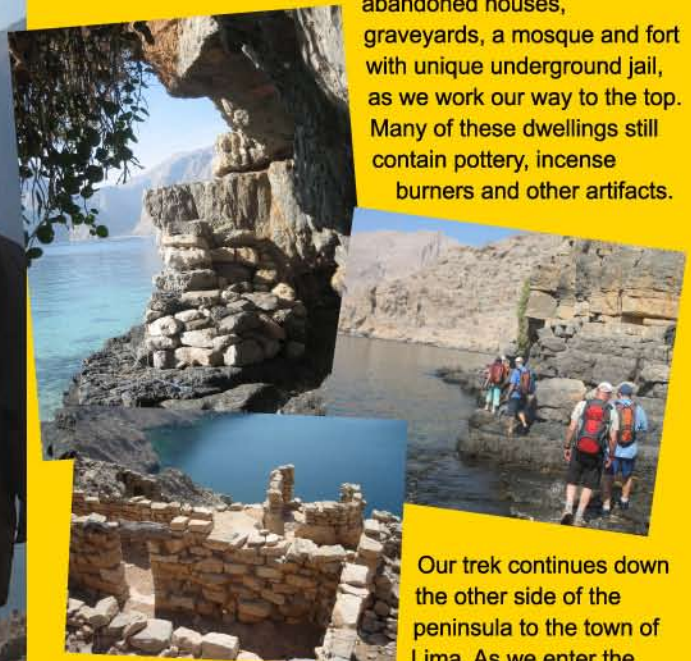

Year-round

### The Expedition

7 hour round trip from Dibba

We meet at Dibba harbour to board our twin-engined boat. A 45 minute boat ride along the spectacular Musandam coastline brings us to Aqaba fishing village situated in a serene bay. After exploring the village and (perhaps) snorkeling over the coral reef, we start our walk along the coastal pathway. Our trail takes us along the ancient path between villages just inches from the sea. Eventually the trail ascends the peninsula towards the main town of Aqaba. We continue to follow the trail past hundreds of

abandoned houses, graveyards, a mosque and fort with unique underground jail, as we work our way to the top. Many of these dwellings still contain pottery, incense burners and other artifacts.

Our trek continues down the other side of the peninsula to the town of Lima. As we enter the

town we take rest at our date plantation where we can cool off in the natural spring as parakeets fly overhead. We continue on to Lima harbour where our boat is waiting to return us to Dibba.
