The Expedition

4 hour round trip from Dibba

Meet at our adventure centre on Dibba beach. Drive to Wadi Wurrayah in Fujairah. Once we've come off road it's about a 20 minute drive along a rough track before reaching a waterfall. We park here and walk for about 20 minutes until we reach a

pool where the wadi narrows. The water here is from underground springs and is refreshingly cool year round. We wade waist deep for about twenty metres until reaching dry land. As we continue further into the wadi there

are many other water pools to climb around, through or over as we marvel at the incredible rock

formations. We explore a large cave before stopping at a picturesque area with smooth flat rocks and gently running water. We stop here for a snack and drinks before retracing our steps back to our cars.
