

# karbat to sedweyn

## Dates & Duration

Available October to April. 5 hour round trip from Dibba harbour.

## The Trip

This coastal trek takes us to two, rarely visited, remote fishing villages. Starting with a 45 minute speedboat ride from Dibba along the spectacular eastern

Musandam coastline we begin our trek from Karbat. We follow a trail along the smooth coastal rocks within a few metres of the crystal clear water. It's a steep climb up to the abandoned village of Tifar about 300 metres above sea level. We explore stone houses precariously situated on the cliff top with their wooden doors and thatch roofs. We'll see an abundance of ceramic pots and even old chests lying around.

We continue down a wadi to Sedweyn where we stop for a packed lunch. Our boat will be waiting here to speed us back to Dibba at the end of a great adventure.
