The Trip

6 hour round trip from Dibba.

This trek explores the villages of the Ru'us Al Jebel plateau. After a scenic one hour 4x4 drive from our adventure centre on Dibba beach we reach the plateau 1200 metres above sea level. Our first village is Akab Al Asoo with its terraced fields and wild flowers. We then start a challenging trek across wadis and through small settlements until we reach Sabtayn. This village stretches along a mountainside with wonderful views down to Wadi Al

Bih. The village contains an abundance of petroglyphs, stone towers and ancient houses that were once home to the farmers tending their large terraced fields.

After exploring Sabtayn we climb up to a small village with its cooling subterranean air stream. We continue our trek back to our cars for the drive home.
