

# sedweyn to mysaar

## Dates & Duration

Available October to April. 5 hour round trip from Dibba.

## The Trip

Sedweyn and Mysaar are two of the smallest fishing villages along the

villages along the

Musandam coastline. Both villages are still used by a few families living a simple traditional life.

Starting with a 45 minute speedboat ride along the spectacular eastern coast we begin our trek

from Sedweyn.

We start bouldering up Wadi Sedweyn to reach a plateau 350m above sea level where we find several old houses and terraced fields. There is a natural spring here where we can cool off

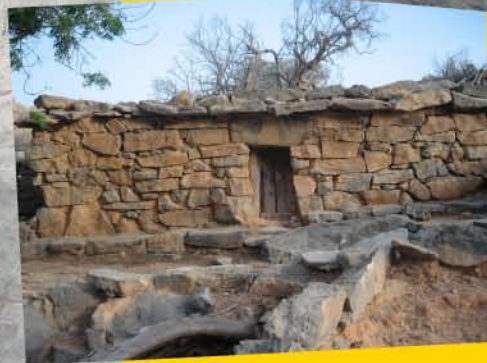

before following the pathway towards Bandar Khar. We enjoy incredible views down into the 'safe harbour' before descending a very steep trail to Mysaar.

Our boat will be waiting here to speed us back to Dibba at the end of an interesting trek.
