

# smugglers bay

## The Dates

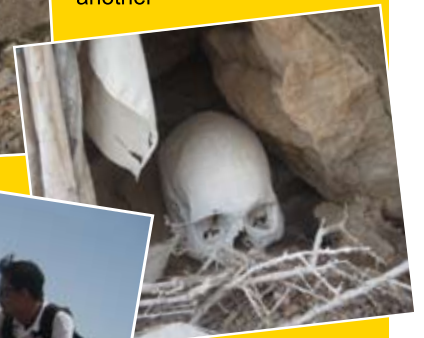

October to April

## The Trip

6 hour round trip from Dibba.

Starting from our adventure centre this trek takes us along the eastern Musandam coast to Al Myam beach. The trail ascends a peninsular and takes us past 2 small beaches

where we have come across people smugglers bringing financial migrants in small boats from Iran and Afghanistan. Eventually, after climbing another

peninsular we reach the beautiful Al Myam beach. We can enjoy a swim in the crystal clear waters before continuing our trek.

Behind the beach is a large wadi containing the ruins of a few ancient dwellings. As we climb up the wadi we see more evidence of the illegal aliens who've discarded old clothes and stopped for sustenance as they seek a new life in the Gulf.

After crossing a high pass we follow the trail back down towards Dibba and our adventure centre.
