### The Expedition

Khab Al Shamsi villages - 5 hour round trip from Dibba

Starting from our adventure centre on Dibba beach we enter Wadi Khab Al Shamsi and drive 40 minutes past dramatic cliffs before reaching our start point. After a 10 minute walk up a trail we reach the village of Al Hajjar. We continue up a steep hill to explore an abandoned settlement 850 metres above sea level with great views of the surrounding wadis and, on a clear day, all the way to Iran.

The trek continues down to a plateau where we explore three further villages. Some of the houses are still occupied but many others were

abandoned years ago.

We find many ancient petroglyphs, clay ovens, graveyards, terraced fields and an unusual two storey stone tower. Eventually we descend a boulder strewn wadi to reach our cars for the return drive to Dibba.

This trek gives participants a unique insight into the lives of the mountain people while enjoying the spectacular mountain scenery.
