

dolphin watching

at sheesa bay

Dates & Duration

Available September to June. 7 hour round trip from Dibba.

The Trip

This spectacular speedboat tour of the eastern Musandam coast takes us all the way to Sheesa Bay

near the top of the peninsula.

We depart Dibba harbour at 9 a.m., visiting White Rocks and Sanaat Cave on our way north.

Sheesa Bay is a beautiful, rarely visited, part of the Musandam with spectacular rock formations and

traditional fishing villages. During our tour of the bay we'll spend up to half an hour in the company of a huge pod of dolphins. These magnificent creatures will play in the wake of our boat and frequently leap metres out of the sea around us.

Eventually we head to Red Island an uninhabited rocky island with extensive coral reef.

We enjoy swimming and snorkeling here and break for a packed lunch before starting our journey back to Dibba.
